Notes:

New & Full Membership: This covers entry for all QTCC rounds of the series and entitles bearer to full voting rights, access to all rounds, permanent racing number & Membership Card.

Social Membership: This covers access to all communication, with the exception of the QTCC Drivers Facebook page, and racing upon invitation (see note ii)

(ii) Social Membership does not entitle the bearer to be on any committee, hold a permanent racing number, or enable them to vote at club meetings. If a Social Member is invited to a round, the race entry fee is \$375 and payable two weeks prior to the event.

(iii) When applying to race as a social member please contact the Category Manager at QTCC at least 3 weeks before an event to organise an Application, an inspection of the vehicle (if not already QTCC Log Booked) and discuss any relevant details. If you can get the vehicle to the category manager, or a member of the technical committee for inspection there will be no charge. However, if QTCC comes to you to inspect the vehicle the charge will be \$100 in the Brisbane Metropolitan Area and negotiable outside this area.

(iv) The RACERS National Racing Licence is required. The RACERS Clubman Licence is upgradable to a National Racing Licence by notifying QR at least 2 weeks before the scheduled event. QR will "observe" and may approve the RACERS National Racing Licence on the day of the event.

This Licencing is the minimum required by Queensland Raceway for any Club Racing. Please Note: CAMS Racing Licence holders are now required to hold a RACERS Clubman Licence to allow access to RACERS Personal Accident Insurance. On 5th December 2007 CAMS announced that CAMS Licence holders would not be provided any Personal Accident Insurance whilst participating at any non-CAMS permitted event.

(v) RACERS Licence application forms are separate to this membership form and must be completed as per instructions provided by Queensland Raceways. Licence payments must be made directly to Queensland Raceway. Forms can be downloaded from the RACERS website <https://racers.world>
